

Company

Stelwagon Roofing Supply continues a 160-year-old Philadelphia area tradition of providing contractors, governments, schools, institutions and property managers with quality roofing materials and personalized support. Lines have expanded into home remodeling with the addition of siding, windows, decks and other exterior building products. Stelwagon locations include four in Philadelphia, PA, with a fifth opened in South Philadelphia in June 2012. A sixth is located in the NJ Urban Enterprise Zone in Camden charging only 3.5% sales tax. All locations are fully stocked with a large rotating inventory of products popular in the industry, with a friendly and knowledgeable staff at your disposal.
